

Baltic MSCA Postdoctoral Fellowships Inspiration Day

September 15, 15:00-16:50 EET

AGENDA

15:00	Opening
	Welcome and Introduction, Viktoras Mongirdas , NCP Lithuania
15:10	Speakers
	Dr. Evelyn Uemaa , University of Tartu, Associate Professor in Geoinformatics. <i>Fellow of the MSCA Global Fellowship project OPTWET: Finding optimal size and location for wetland restoration sites for best nutrient removal performance using spatial analysis and modelling.</i>
	Dr. Kristaps Kļaviņš , researcher in Riga Technical university, group leader at Baltic Center for Excellence in Biomaterials (BBCE). <i>Fellow of the MSCA European Fellowship project Met4Bone: Metabolites as immunomodulatory additives for biomaterials.</i>
	Professor Jānis Ločs , Director of the Institute of General Chemical Engineering, Riga Technical University. <i>Supervisor of the MSCA European Fellowship project Met4Bone: Metabolites as immunomodulatory additives for biomaterials.</i>
	Professor Linas Mažutis , Vilnius University. <i>Supervisor of the MSCA European Fellowship project droplet-small-seq: High-throughput droplet-based single-cell small RNA sequencing technology,</i>
	Dr. Simonas Juzėnas , Vilnius University. <i>Fellow of the MSCA European Fellowship project droplet-small-seq: High-throughput droplet-based single-cell small RNA sequencing technology,</i>
	Dr. Siret Talve , Estonian Ministry of Economic Affairs and Communications, Counsellor (RDI). <i>Evaluator for MSCA Individual Fellowships</i>
	Dr. Urtė Neniškytė , Vilnius University. <i>Supervisor of the MSCA European Fellowship project SinGly: Glycobiology of synaptic pruning in a developing brain.</i>
16:50	End of the event

Organizers: The Estonian Research Council **Kristin Kraav**

The Research Council of Lithuania **Viktoras Mongirdas**

The State Education Development Agency of the Republic of Latvia **Liene Ekša**

1.1.1. specifiskā atbalsta mērķis "Palielināt Latvijas zinātnisko institūciju pētniecisko un inovatīvo kapacitāti un spēju piesaistīt ārējo finansējumu, ieguldot cilvēkresursos un infrastruktūrā"

1.1.1.5. pasākums "Atbalsts starptautiskās sadarbības projektiem pētniecībā un inovācijās" - 1.kārta
Projekts "Atbalsts starptautiskās sadarbības projektu izstrādei un īstenošanai"
