*A stronger connection between education,  
research and innovation*

A young man and woman are smiling and standing in front of a wall covered in sketches of faces. The woman is on the left, wearing a dark jacket and a red scarf. The man is on the right, wearing a green sweater and a backpack. The background features several black and white line drawings of faces, some with different expressions and features.

*International student mobility a natural and integral part of all study programmes*
