

## Invitation to Networking workshop

### **IDEAS Mobility Workshop 2015**

Palermo, 12th and 13th January 2015

---

CESIE is pleased to announce the Networking workshop, **IDEAS Mobility Workshop 2015**, that will gather European actors involved in Mobility projects to be informed and exchange about the funding opportunities under the new Erasmus+ programme and new ideas for successful project proposals.

The workshop will provide an info-sharing space for organizations working in the frame of Mobility.

The **IDEAS Mobility Workshop 2015** workshop aims to:

- To share skills and experience of the different EU funding programmes, focusing particularly on Mobility within the Erasmus +;
- To develop ideas for applications with the 2015 calls for proposals;
- To promote networking and to go deeper into the partners' placements;
- To find suitable and experienced partners for your projects and build new partnerships for next call for proposals.

#### **Success of IDEAS**

Since 2004 we count 11 IDEAS workshops organized, involving many European partners and generating more than 350 project proposals under different EU Programmes in field of education, training and research. **IDEAS Mobility Workshop 2015** will offer opportunity to find suitable partners and get involved in project proposals. This will be an important starting point and base for our work during years 2014-2020.
