Master of China Studies

With the growing importance of the role China plays in the globalization and international exchange, an increasing number of foreign students and professionals have shown great interest in China. Against this background, Zhejiang University initiated Master of China Studies (MCS) Program in 2007. As the MOST INFLUENTIAL "China Studies", MCS is the FIRST "local China studies" authorized by Ministry of Education in China with the LARGEST SCALE of registered international student. MCS attracts the HIGHEST QUALITY of master's candidates each year.

It targets the international students and professionals who want to have more and deeper understanding about China. MCS engages students through participatory teaching

approaches integrating theory and practice, with an emphasis on studying the issues in contemporary China from the perspective of Chinese tradition and cross-cultural comparison. MCS enjoys the advantages of multi-disciplines at Zhejiang University, receives great support from off-campus resources in Zhejiang province from time to time and offers various kinds of opportunities to encourage students to observe and explore Chinese society themselves. Meanwhile MCS regularly attracts the participation of well-known scholars from prestigious universities in the world.

The teaching of this program consists of classroom lectures and cohort seminars and the instruction language is English.

Curriculum

MCS has 5 course modules, consisted of history & civilization, media & life, transformation & development, theory & methodology, language & experience. It focuses on mixing academic teaching, essay writing and social practice from a background of basic theory, research methodology and Mandarin. English is the primary instruction language.

Theory & Methodology	History&Civilization	Transformation & Development	Media & Life
Theory & Approach of China Studies	Thematic Studies in Chinese Civilizations	China's Social and Economic Development	Media China: Social Control vs. Social Change
Cross-cultural Communication	Chinese Intellectual History	Chinese Nation, Ethnicity and Nationalism	Everyday Life in Contemporary China
