

IBN HALDUN SOCIAL SCIENCES SCHOLARSHIP

Abd al-Rahman ibn Khaldun, the well known historian and thinker from Muslim 14th-century North Africa, is considered as a forerunner of original theories in social sciences and philosophy of history, as well as the author of original views in economics, prefiguring modern contributions. He is best known for his book 'The Muqaddimah'.

POSTGRADUATE STUDIES

PURPOSE

Türkiye Scholarships aim to build a network of future leaders committed to strengthening cooperation among countries and mutual understanding among societies.

İbn Haldun Social Sciences Programme aspires to contribute to this objective by providing education opportunities for graduate students who wish to study master's and PhD programmes in social sciences in Turkey. This program is specifically designed for graduate students from all countries interested in designated courses.

FIELDS OF STUDY

A wide range of programmes across natural sciences and technology from physics to biotechnology, from mechanical engineering to urban planning are offered at prestigious Turkish universities.
