The subsistence expenses are granted by cheques which are paid by the Bank of Greece / or and paid to a bank account in Greece, the IBAN of which is notified by the scholar to the competent for the payment of the scholarship Greek authority. It is highlighted that the

payment of the sum of the scholarship for the first two months following the arrival of the scholar can show a delay.

C. Terms for the granting of the scholarship

The candidates file the application for the granting of a scholarship in the framework of the Bilateral Educational Programmes to the competent thereto agencies of their country of origin, and in particular at the Ministry of Foreign affairs or the Ministry of Education. There follows the selection and the proposal of the candidates and the forwarding of the files of their candidacies.

The **proposals of each country with the files of the proposed candidates** are dispatched with registered letter to the **General Directorate of Higher Education / Directorate of Organizational and Academic Development/ 4th Department of Student Matters and Scholarships of the Ministry of Education Research and Religious Affairs, at no. 37 A. Papandreou, GR 151 80 Marousi (office 1067) until the 28th of April 2017.**

Each country itself determines the time limits for the filing of the applications for the granting of the scholarship according to the present Proclamation, which precede the hereinabove final time limit for the dispatch of the files to the competent Greek authority.

The Directorate of Organizational and Academic Development/ 4th Department of Student Matters and Scholarships of the Ministry of Education Research and Religious Affairs notifies to the competent authorities the decision of the approval of the scholarship of the proposed candidates **until the 31st of May 2017 for the summer Seminar and until the 30th of June 2017 for the undergraduate and postgraduate studies** (on the condition that the files of the candidates are complete).

The scholars who are admitted shall be **immediately following their arrival in Greece to appear at the Directorate of Organizational and Academic Development/ 4th**

9/20

Department of Student Matters of the Ministry of Education Research and Religious Affairs, for the commencement of the granting of their scholarship. Insofar as the scholar follows in Greece a programme of studies in a peripheral Higher Educational Institution and resides in the periphery informs on his / her arrival and the particulars of his / her residence in Greece by an electronic message at the electronic address foitmer.y@minedu.gov.gr (postal address, e-mail) and sends a relevant certification of the responsible of the programme of studies in which he or she studies.

Furthermore, the scholars **have to communicate with the Directorate of Organizational and Academic Development/ 4th Department of Student Matters** of the Ministry of Education Research and Religious Affairs, **at the hereinabove electronic address at least one (1) month prior to their arrival and to inform on their exact date of arrival.** The payment of the sum of the scholarship commences from the date, when the scholars appear at the **Directorate of Organizational and Academic Development/ 4th Department of Student Matters** of the Ministry of Education Research and Religious Affairs, or when they inform on their arrival and **not with retroactive effect.**

The Directorate of Organizational and Academic Development/ 4th Department of Student Matters of the Ministry of Education Research and Religious Affairs **can discontinue or not renew the scholarship** in the event that its terms are not observed.

A scholarship is not granted to persons who have already been receiving a scholarship from another public carrier in Greece or/and from the European Union.

The candidates who already have received a scholarship from the Greek government in the framework of Bilateral Educational Programmes do not have the capability to apply anew for a scholarship.

Age limit

- a) In the case of undergraduate studies there can be admitted the candidates who have been born after **1.1.1991**.
- b) In the case of postgraduate studies / research or a summer seminar there are admitted the candidates who have been born after **1.1.1977**.

2. Terms of the granting of scholarships for postgraduate studies or research.

The scholarships are addressed to degree holders of Higher Educational Institutions, who wish to conduct postgraduate studies or research work in Universities or in Research Centers in Greece.

In order to conduct research the scholars must be registered in a doctoral or postgraduate programme in the country of their origin. In the event of the realization of a postgraduate or doctoral programme in Greece, the commencement of the study of the scholars is simultaneous with the commencement of the granting of the scholarship. It is pointed out that in the foregoing procedure there is not included the medical specialty.

The scholarship is granted only during the academic year **for which it is proclaimed**.

The hereinabove scholarships are not renewed for a term longer than one (1) year, insofar as the case is of postgraduate studies and two (2) years insofar as the case is the obtainment of the doctoral diploma.

For the renewal of the scholarship the scholar files an application in his / her country of origin, which is competent to propose the renewal of his / her scholarship at the to the General Directorate of Higher Education / Directorate of Organizational and Academic Development/ 4th Department of Student Matters and Scholarships of the Ministry of Education Research and Religious Affairs, within one (1) month from the filing of the application of the scholar.

11/20

An application for the renewal of the scholarship is filed also at the Directorate of Organizational and Academic Development/ 4th Department of Student Matters and Scholarships of the Ministry of Education Research and Religious Affairs, by the concerned scholar.

The scholar is obligated throughout the term of the granting of his / her scholarship to remain in Greece and to be exclusively occupied with the realization of the programme of studies as it has been filed and approved during the granting of the scholarship. The scholar can be absent from Greece only in the term of the official holidays and summer vacations or for a limited temporal interval for the reasons of research, following the information of the Directorate of Organizational and Academic Development/ 4th Department of Student Matters and Scholarships. Following the expiry of the temporal interval of the granting of the scholarship, every scholar is obligated to the filing of a detailed report, from which arises the completion of his / her postgraduate studies or research as also the filing of a certification of the supervising professor concerning his/ her research.

The candidates **for postgraduate studies** in Greece must **possess a good knowledge of the Greek language (except if the postgraduate programme is taught in English) and they must have been made admitted for registration and study in a postgraduate programme of studies.**

The candidates **for research** must know **to a satisfactory degree the Greek or the English language or the French language.**

3. Terms of the granting of scholarships for undergraduate studies.

To the scholars who are to going to realize **a full cycle of undergraduate studies** in Greece **there is granted initially a scholarship for one (1) academic year**, in order to attend lessons in the Greek language (insofar as they do not possess already a certificate of language competence). In the event of the failure in the examinations for the knowledge of the Greek language, the scholarship is discontinued while in the event of

12/20

success **there is granted a scholarship for the full cycle of undergraduate studies, which shall be renewed every year.**

Each scholar is obligated throughout the term of his / her scholarship to reside in Greece and be exclusively occupied for the realization of the programme of studies, which has been filed by him / her and which has been approved during the granting of his / her scholarship. An absence is justified for a term up to and including two (2) consecutive months during the summer. In the event that the scholar is absent for more than the hereinabove temporal interval he / she has to inform this agency on the grounds of his / her absence.

During the first year of his / her stay the scholar is placed at a Department of a Higher Educational Institution, in accordance with the list of preference which he / she has filled in his / her scholarship application (*see under a) Supporting documents for undergraduate studies*). The application stands in lieu of a solemn declaration. **The change of a Department/School is permitted** by a new application of the scholar in this country, only during the year of the learning of the Greek language.

It is pointed out that following the first year of the successful attendance of lessons of the Greek language, the scholar files in person the necessary supporting documents for the registration in the Department of his / her selection. On this ground the scholar has in his / her possession validated copies of all the original and translated supporting documents which have been filed for the granting of the scholarship.

A scholarship for undergraduate studies is granted for a temporal interval equal to the ordinary study, as it is provided for in the indicative programme of studies of the School/Department of the HEI. The scholar has the capability to petition the extension of his / her scholarship for up to one (1) year later than the aforestated temporal interval. The application is filed from May until and including the end of June **at the Directorate of Organizational and Academic Development/ 4th Department of Student Matters**

and Scholarships. For the approval or the dismissal of the application for the renewal, there is taken into account **the academic transcript certificate, which the scholar has to file by his / her hereinabove application.**

This agency grants a scholarship until the month of swearing-in in the event that the student completes his / her studies during the compulsory years. In the cases that the student exceeds the compulsory years of study, the scholarship is granted only until the date of the completion of the obligations, which arise from his / her programme of studies and not until his / her swearing-in.

Every scholar is obligated upon the expiry of each examination session to file to **the Directorate of Organizational and Academic Development/ 4th Department of Student Matters and Scholarships of the Ministry of Education Research and Religious Affairs, a detailed certificate of studies (academic transcript certificate) from which it arises that he / she has passed an adequate number of subjects**, according to the programme of studies of the School / Department in which he / she studies. In the event of unsatisfactory progress **the scholarship is not renewed**. In particular, **as satisfactory performance is meant the successful examination at least of 70% of the prescribed by the Detailed Programme of Studies of the Department or School of compulsory or elective subjects**. The student is obligated to participate in all the examination sessions of his / her school insofar as he / she has outstanding unpassed subjects.

4. Scholarships for the summer seminar of the Greek Language and Culture

a. The place and the time of the conduct of the summer seminar shall be notified **until the 16th of June 2017**.

b. The scholarship covers all the expenses (tuition fees, accommodation, subsistence of the scholars, their participation in

cultural events) except for the expenses for their transition from and to Greece, which are undertaken by the scholars themselves or by their country of origin.

5. Supporting documents

All the supporting documents are submitted officially translated and validated in the Greek or in the French or the English language in duplicate. In the event of the filing of false certificates, simple photocopies or non-adequately completed supporting documents, the candidacy is dismissed. This agency returns the supporting documents to the candidate only following his / her application within a time interval of one (1) year from the date of their filing.

a) SUPPORTING DOCUMENTS FOR UNDERGRADUATE STUDIES
