

Science with and for Society Brokerage Event
29 January 2018 - Brussels, Belgium

Are you interested in participating in Science with and for Society ?

- Are you a **coordinator** of a project proposal looking for partner?
- Are you looking for participation in project proposal as a **partner**?

The network for National Contact Points for Science with and for Society - SiS.net² - invites all stakeholder involved in the Science with and for Society Programme of Horizon 2020 to the brokerage event to be held in Brussels.

The event organised in cooperation with the European Commission will take place on the **29 January 2018** in **Brussels**.

The main objective of the *Science with and for Society Brokerage Event* is to provide first-hand information by the European Commission about the Horizon 2020 Science with and for Society 2018 and to bring all stakeholders together (universities, research institutions, civil society organisations, SMEs, public bodies, Science Centres etc.), in order to meet potential coordinators and partners in a fruitful networking environment.

**Do you intend to prepare a proposal under Science with and for Society 2018 Call for proposals?
Start building your consortium in Brussels, on 29 January 2018!**

How can I register to the event?

For detailed information about registration and the agenda of the event, please visit the event: <https://horizon-swafs2018.b2match.io/>
