Themes and goals of the event:

This TCA is organized within the frame of **horizontal priority for social inclusion**.

Schools submitting applications to Erasmus+ often present low awareness of preparing coherent proposals in terms of needs analyzes, formulating goals, actions, results and adequacy to Erasmus+ priorities.

Responding to this diagnosis a goal of the event is to **support teachers and headmasters in professionalization of their knowledge and skills within planning and realization of educational**

international cooperation projects in areas of:

- inner logic of the project;
- quality of partnership;
- learning, teaching, training activities;
- dissemination and sustainability of project results.

Training was prepared in cooperation of 5 NAs (IT, SE, ES, SK and PL) and will be supported by trainers, which are experts in planning and realizing international projects. Participants will work in teams on the draft of projects concerning their interest. Groups will have possibility to choose themes of the projects important from the point of view of their institutions and local communities.

As a consequence we want to increase number of good quality school partnerships.

Expected results:

Participants will broaden their knowledge and skills concerning project planning and management. Participants will find partners for projects and will create drafts of projects.
