Profile of participants: This event aims to attract newcomers to KA229, School Exchange Partnerships, but experienced organizations who wish to expand their partner-base are also welcome to attend. The target group is post primary schools working with young people from the ages of 12-18 years. The Contact Making Seminar will have a strong Inclusion focus – we particularly welcome participants working with students of disadvantaged background or who have increased support needs.

Themes and goals of the event:

This is a Contact Making Seminar which will include some training elements and aims at attracting more organisations, particularly those with a strong Inclusion dimension in their schools, to engage in KA2 School Exchange Partnerships. It is targeted at both newcomer and experienced organisations who wish to develop their understanding of KA2; how to develop good quality proposals and who wish to find partners. The Contact Making Seminar will have a strong Inclusion focus – we particularly welcome participants working with students of disadvantaged background, or those with increased support needs.

Objectives of the event:

- Develop your understanding of KA229 projects
- Meet potential partners
- Develop your understanding of how to design good quality project proposals
- Strengthen the inclusion dimension of your proposal
- Share experience of international Schools projects

Expected results:

The participants will:

- hear first hand the opportunities under KA2 Schools Sector
- hear from past projects
- understand what makes a good quality project
- have the opportunity to meet potential future partners
- learn what steps are needed in applying
- address inclusiveness in projects
